Signs for Tex-Tin Information Repositories**

Dear Ms. Tyson:

Enclosed are three EPA Information signs for display at Tex-Tin information repositories. The signs were produced by PRC's graphics department, mounted on poster board, and laminated. In an effort to reduce production costs, these signs were produced along with the MOTCO and Arkwood information signs and are submitted in advance of EPA's request.

If you have any questions or comments on the signs, please call me at (214) 754-8765.

Sincerely,

**Barbara K. McVey
